Vacations, Holds, Delayed Pickup or Donating Your Share:

If you will be unable to pick up your monthly share, there are options. You can either have a family member or friend pick up your share for you, let us know that you would like us to donate your share to our local food bank or you can delay pickup to the following month. Delaying pickup simply extends your subscription by an additional month so you still have the same number of deliveries. If you choose to delay pickup, you must notify us at least 14 days before your delivery day since billing occurs on a specific day and we cannot delay delivery once your order has billed.

Late or missed pickups:

Members must arrive during their selected pickup time unless prior arrangements have been made with Ellen or Jim. Delivery time and location can be switched if necessary with advance notice. If you need to change your pickup time or location, please call 507-822-7035 or email ellen@gfamilyfarm.com at least 24 hours before delivery so we can make the necessary changes. If a delivery is not picked up within the allotted timeframe and without prior arrangements being made, it will be brought back to the farm where it will be available for pickup within one week of your original delivery time. We are unable to refund missed pickups.

Changing or adding an order to a share:

Because of the need for advance planning and stocking, we are not able to facilitate monthly item changes or substitutions to shares. If you would like to add additional items to your monthly share, you may place a standard order on our website, select your CSA delivery location and time and we will deliver it in addition to your normal share. While the CSA offers our chicken at a discount from our standard retail prices, orders placed in addition to monthly shares are not subject to the same discount and are purchased at our standard rate.
